

Message from the Head of School

Mrs K Gardner
Head Of School

We have had a positive return to school after the holiday! The energy in our classrooms is vibrant, and it's wonderful to see our students engaging with their learning.

This week has been particularly busy as we have been conducting Cycle Three assessments alongside GCSE examinations. We are incredibly proud of our students and the maturity they have shown during this time. Their dedication and determination to excel is truly commendable.

As we continue through this term, we encourage our students to maintain their focus and commitment.

Thank you for your ongoing support in reinforcing these values at home.

Paragraph 4 – now it is your turn

Overall, I have made good progress across all subjects this year and I know I could do better in my homework and make sure I hand it in every day on time. I know that I am making progress because my mini-test scores in maths have increased to 10/10 for most. Also, I do more work in Science and English. My successes are I have never gotten a correction for being late in school. In order to make progress I need to make sure I do what is required on the board and what my teacher assigns for me.

Paragraph 4 – now it is your turn

Overall, I have made a light progress through all of my subjects and produce some good homework. I know that I have made progress because recently I have got 10/10 marks on my mini test in maths. My success is that I have received no corrections for all of the school year. In order to progress I should revise more. The quality of my homework has been excellent as my advisor says. My next steps in homework is to finish homework for the week. I will achieve this by doing homework when I get home from school on a Friday. This year I have about 1300 credits for working hard.

Stretch Project:

As part of our Stretch sessions this term, students have been reflecting on their personal progress and setting goals for the future. They took time to think about what they've achieved across different subjects, how they've improved, and where they can continue to grow.

Celebrating Student Achievements

Sparx Maths:

	Year 7	Year 8	Year 9	Year 10	Year 11
1st Place	Charlie H	Idriss El-K	Igor K	Isabel J	Zach A
2nd Place	Chloe B	Oliver P	Noor X	Robyn L	Aaron M
3rd Place	Logan S	Vincentt Stott	Sharise E	Franciszek G	Kaci C

Quarry Bank Trip:

On Tuesday 3rd June, 20 Year 8 students, along with Mr Browne and Miss Moran, set off on an exciting trip to explore the sounds of the ponds at Quarry Bank Mill.

This cross-curricular visit, combining Science and English, gave students the opportunity to observe the organisms that thrive in these unique ecosystems and imagine life from their perspective in nature's magical kingdom. They listened to the sounds beneath the water's surface and will use these recordings to inspire their own soundscapes and poems.

Throughout the day, the students demonstrated kindness, integrity, and bravery, learning fascinating facts and unleashing their creativity. We're excited to see the wonderful poems they'll produce from this inspiring experience.

Attendance

A total of 417 students from Years 7 to 10 achieved 100% attendance, demonstrating a strong commitment to their education. This accomplishment highlights the dedication of these students to maintaining perfect attendance throughout the school year.

Students with 100% attendance this week:

Year 7	Year 8	Year 9	Year 10
112 students	94 students	122 students	89 students

Full House Friday Attendance Wheel students – 551 in total

Year 7	Year 8	Year 9	Year 10
141 students	126 students	165 students	119 students

Top Advisory Groups:

7X	8Z	9W	10A
87%	91%	92%	93%

Attendance and Behaviour Recognition

Students who arrive to school on time, attend every single day and demonstrate our core value will be awarded an ice cream from the ice cream van who will be at school on Friday 18th July! Students must be in for the full 40 days to enjoy this treat before they head off for their summer break!

Full House Friday:

Each Friday, students who attend school are entered onto an Attendance Wheel! During Monday's Morning Meeting, the wheel spins and selects one student per year group as a winner. The winning students will receive a sweet treat and a Queue Jump Pass in recognition of their Friday (and Monday) attendance to school!
