

## Dixons Brooklands Academy Accessibility Plan 2023-26

This plan is drawn up in accordance with the planning duty in The Equality Act 2010 and should be read in conjunction with our trust SEND policy and the academy's SEND Information Report. Disability is defined by The Equality Act 2010: "A person has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day to day activities".

### Aims

- To reduce and eliminate barriers to access to the curriculum and to full participation in the academy for students, and prospective students, with a disability.
- To reduce and eliminate barriers to access to the building and environment for all stakeholders in the academy including students, staff and visitors.
  
- The academy's admissions policies are consistent with compliance with The Equality Act 2010.
- The academy recognises its duty under paragraph 3 schedule 10 to the Equality Act 2010:
  - Increasing the extent to which disabled students can participate in the academy's curriculum.
  - Improving the physical environment of the school for the purpose of increasing the extent to which disabled students are able to take advantage of education and benefits, facilities or services provided or offered by the academy.
  - Improving the delivery to disabled students of information which is readily accessible to students who are not disabled.
- The academy recognises and values parents' knowledge of their child's disability and its effect on his or her ability to carry out normal activities, and respects the parents' and the child's right to confidentiality.
- The academy ensures a common high quality of experience for all students to help maximise each individual's potential, whilst supporting creativity and individuality within teaching and learning, through:
  - intelligent sequencing
  - highly tailored learning activities
  - effective formative assessment
  - responsive and timely intervention
- The academy is committed to ensuring that adequate resources will be allocated to the implementation of the plan.
