Dear families

I am writing to inform you that our interim Executive Principal, Mr Haseldine, will be leaving our school at the end of this term as he has taken up a new role overseas. This is a great opportunity for Mr Haseldine and his family. We are very appreciative of the leadership and guidance he has provided during his time here.

Mr Haseldine stepped into the Executive Principal role during a transitional period for our school. He brought extensive educational leadership experience and quickly established himself as a caring, supportive leader who kept students' best interests at heart.

Whilst we are sad to see him go, we understand his desire to pursue this exciting new professional chapter. We are so appreciative of everything Mr Haseldine has done for our students, staff, and parent community over the past term.

In the interim, as Executive Director, I will lead the school while we conduct a search for a permanent Principal replacement. I have a long association with the school and community and have worked with the students and staff for the last two years.

Please join me in thanking Mr Haseldine for his dedicated efforts. We will miss his compassionate leadership and wish him and his family all the best. I look forward to keeping you updated on the Executive Principal and Head of School recruitment process.

Yours faithfully

**Mr M Harrison**  
**Executive Director**
