

17th January 2024

Dear families,

I am writing to let you know that your child will soon be completing another set of mock examinations. The exams will begin on Monday 26th February and take place over a 2-week period. After the examinations you will receive a report with your child's score and grade, as well as the average score for all students who completed the assessment. Your child will be supported with revision in both subject lessons and during daily mastery sessions in Morning Meeting. It is vital that your child is attending school each day and arriving on time so that they do not miss out on these important revision sessions. Your child must also be revising at home. At Parents' Evening families received revision guidance for each subject. There is also a wealth of revision support on the Dixons Brooklands Academy website under the 'Revision' tab, and I would also urge you to encourage your child to attend the after-school revision sessions which I have shared, along with the exams overview.

Please do not hesitate to contact me with any further questions about exams or revision by emailing dmcvey@dixonsbk.com.

Yours faithfully

Diane McVey
